Prescription Refills - Hand to Shoulder Center of Wisconsin will not provide narcotic prescription refills between the hours of 5:00 p.m. and 8:00 a.m. weekdays or on weekends. If you need to have your prescription refilled, please notify your physician during your visit or call during business hours. Calls received late in the day may not be addressed until the following day. As a patient, I understand that prescription refills will not be provided during non-business hours.

Assignment of Benefits - Medical Facility - I do hereby transfer, assign, and convey all my rights, title, and interest in all medical benefits provided by any contract or policy of insurance under which I may be insured. I direct that all benefits be paid directly to Hand to Shoulder Center of Wisconsin and/or Woodland Surgery Center (collectively "Provider") for payment of services rendered. I agree to pay the Provider any remaining balance after insurance payments or denial of coverage under said contracts or policies.

Worker's Compensation Claims - In the event of a Worker's Compensation claim, I understand I am responsible for providing the correct insurance information to the "Provider" and that if complete information is not provided I may be balance-billed for services. All medical information may be furnished to the carrier and/or employer with or without written consent from the patient according to the Wisconsin Worker's Compensation Action, Sec. 102.12(2). I further understand that my opinion and/or Doctor's diagnosis does not necessarily insure payment of my claims by the Worker's Compensation carrier. Should Worker's Compensation deny my claims, I agree to pay all charges incurred by the Provider. If I decide to dispute the decision of the Worker's Compensation carrier, I agree to make good faith payments each month while I pursue this claim.

Medicare Authorization and Assignment - If I am a Medicare patient, I allow the Provider to submit Medicare claims in my behalf without signing a Medicare form at each visit. This authorization extends for a period of two (2) years, or for as long as I remain a patient of the Provider.

Third Party Payers - I understand that I am responsible for providing correct insurance to the provider and if complete information is not provided my medical insurance may be billed for services. Should the third party insurance deny, or if the maximum benefits are reached, my claims will be sent to my medical insurance for payment. If I decide to dispute the decision of the third party payers I agree to make good faith payments each month while I pursue this claim.

Patient Valuables - All parties are advised that the Provider is not responsible for any valuables brought onto the premises. You are strongly urged not to bring such items with you or to keep personal items of significant value in your possession at all times.

Authorization/Pre-certification/HMO Referrals - I agree to furnish any and all personal and insurance information required by the Provider for purposes of filing claims, pre-certification, authorization, or any other purpose. It is the policy of the Provider and Managed Health Care plans that the patient is responsible for obtaining referrals for all visits; Worker's Compensation or otherwise.

Outside Referrals - I understand that all referrals for diagnostic testing, treatment, and/or other services not offered by this provider, are offered at my discretion. Payment of said services is my sole responsibility. Lab work, anesthesiologist, and hospital fees are billed separately by offices outside the Hand to Shoulder Center of Wisconsin and Woodland Surgery Center.

Financial Responsibility/Delinquent Accounts - I understand that I am responsible for payment of all services rendered to me by the Provider and that any and all fees not paid by my insurance are my sole financial responsibility. The Provider reserves the right to impose a late charge of 1% per month on any accounts not paid within 30 days. I agree to pay all costs of collection for the Provider including attorneys fees in the event that my account is placed in legal collection. I understand and agree that I am responsible for any part of the fees for my treatment at Woodland Surgery Center, including charges for surgeons, anesthesiologists, or other treating physicians.

Non-Sufficient Funds (NSF) Checks - A $35 charge will be assessed for all returned checks. NSF checks not redeemed within ten (10) days of notification will be subject to legal action.

No Shows - We reserve the right to charge a **no show fee** for missed appointments or cancellations within 24 hours of appointments.

Medical Records - I authorize that any medical, mental health, HIV testing and status, and/or substance abuse information be released in accordance with Health Insurance Portability and Accountability Act (HIPAA) guidelines and Wisconsin State Statutes. I understand and agree that no liability of any nature shall attach to any person, physician, surgeon, or employee of the Provider, following such release of information.

Language Assistance Services/Notice of Nondiscrimination - Hand to Shoulder Center of Wisconsin complies with applicable Federal Civil Rights laws and does not discriminate on the basis of race, color, national origin, disability, or sex. Hand to Shoulder Center of Wisconsin does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.
